The student named above has requested a Sixth Form Course Selection Meeting at Westcliff High School for Girls, which will take place in the next few weeks.

We currently require 11 points (9 = 3, 8 = 3, 7 = 2, 6 = 1) from the best 8 GCSEs including a minimum of Grade 5 in English Language and Mathematics. Multiple award vocational qualifications count as one GCSE (Distinction Star = 3 points, Distinction = 2 points and Merit = 1 point). A maximum of two vocational qualifications can be used in the best 8 calculations.

I would appreciate it if you could confirm the estimated grade for all subjects to be taken this year and the actual grade of any subjects already taken.

Subject	Qualification (where different from GCSE)	Estimated Grade or Level	Grades Achieved (not module grades)
English Language	GCSE		
Mathematics	GCSE		

If you would like to inform us about anything relevant to this student's application to the Sixth Form, including your view on their suitability for A Level study in a Grammar school environment, please do so below.
