September 2021

Dear Parent/Carer

We would like to invite your child to take part in our French pen pal programme online. This year we have established a link with Collège Jean Rostand, a school in Lamotte Beuvron in France. We are hoping to develop this link over time which will allow us to create even more opportunities for students of different year groups to get involved with the partnership.

For the online pen pal project WHSG students will be paired with a student from the French school and will then write letters in French and the French students will respond in English. All communication will be monitored by teachers and for their own safety students **must not** share any personal details such as email addresses and telephone numbers.

Please complete and return the slip below by Friday 15th October.

We are looking forward to developing what promises to be a very exciting partnership.

Yours sincerely

Miss E Gonzalez-Reyes
Acting Head of Spanish
