

Welcome to Prince Avenue

'Success with a Smile' is the school motto at Prince Avenue: Our aim is to ensure that every child reaches their full potential within an environment which is stimulating and exciting.

The school benefits from extensive grounds and playing fields, a children's garden, an ICT suite, library, music room, and well-equipped food technology and art rooms.

A wide range of clubs and extra-curricular activities are provided to allow children to extend their interests and develop their skills. Our sports teams enjoy competing in local and regional competitions on a regular basis, and our children take part in a wide variety of dance and music festivals.

With our own Nursery and Children's Centre, we have the facilities to give all our pupils the very best start to their school life.

The core values and aims of the school:

- For everyone to have high expectations and standards where the needs of the individual are met and everyone feels valued and respected.
- To create a culture of learning in the school which values success through concentration, co-operation, imagination, curiosity, enjoyment, practice, effort and improvement.
- For our pupils to enjoy each day they spend in school and to look forward to the next.
- For children to accept responsibility and to value politeness, honesty, service to others, leadership, and enterprise.
- To have a successful partnership with parents and welcome their involvement and support
