

Information Evening Ford Advanced Engineering Apprenticeship 2021

Are you thinking about a career in Engineering?

We would like to invite you to an Online Event for potential Engineering Apprenticeship applicants and their families

Date: Thursday 11th February 2021

Time: Presentations to commence at 7pm

If you are interested in finding out more about Ford's Advanced Engineering Apprenticeship, particularly if you would be interested in joining us in 2021 and would like to attend this event, please register <https://www.eventbrite.co.uk/e/ford-motor-company-advanced-engineering-apprentice-open-evening-2021-registration-136287251839>

A Ford Apprenticeship gives so much more than standard qualifications. It leads to a rewarding, challenging career in the automotive industry and an opportunity to earn while you learn.

The Ford **Advanced Apprenticeship** leads to NVQ & BTEC Level 3 at CEME and College. These exciting Advanced Apprenticeship opportunities are based at Dagenham and Dunton.

Please note the following criteria for the Advanced Apprenticeship:

Minimum of 3 GCSEs to include Maths Grade C or above (Grade 5 or above) Physics or Double Science Grade C or above and English Grade C or above (Grade 4 or above)

For further information on all Ford Apprenticeship positions, please visit <https://www.ford.co.uk/experience-ford/careers/careers-at-ford/apprentices>

Information contained during the evening's presentations is subject to change and does not guarantee Programmes will run. Please book early to avoid disappointment.

Ford is committed to diversity and equality of opportunity for all and is opposed to any form of less favourable treatment or harassment on the grounds of sex, marital status, civil partnership status, parental status, race, ethnic origin, colour, nationality, national origin, disability, sexual orientation, religion/belief, gender reassignment and gender identity, age and those with caring responsibilities.
