19th June 2020

Dear Parents and Carers,

I hope you and your family continue to be well.

Pupils needing to be in school

School continues to be open to provide a learning space for the children of Key Workers where there is no one at home able to supervise them, or for those who are vulnerable. If your child needs to use this facility, please email generalenquiries@whsg.info to register for this by Thursday the previous week.

Expectations of Pupils in School

We expect the pupils coming into school to know and understand Social Distancing rules, and to be able to abide by these as well as our school's behaviour policies. As the number of pupils attending increases we shall be providing some 'light touch' supervision at lunchtimes using one of our Senior Mid-Day Supervisors. From June 22nd all pupils (including Key Worker children) are required to bring face coverings with them and to wear them as requested.

The Incidence Level of Coronavirus in Southend

I am pleased to be able to let you know that the Director of Public Health for Southend on Sea has confirmed that the incidence level of Coronavirus continues to fall.

Pupils Returning to School

We have been pleased to start the process of welcoming Year 10 pupils back to school in addition to the Key Worker children who continue to attend.

Pastoral Support will be available from Mrs Joscelyne or Mrs Cammidge. Students should go to their office to access this.

The programme for Year 10 next week is:

Registering for your Year 12 daughter/son to come in for these sessions

We look forward to welcoming back groups of Year 12 pupils from July 1st.

Below is a link to a Google Form confirming whether your daughter/son will be attending school for their specified subject times.

It is necessary that this document is completed by ALL parents as we are required to supply attendance data to the Department for Education with the reason for any students not attending.

Please note that parents will NOT be penalised for not sending their children to school.

Whether your daughter/son will or will not be attending the days allocated you MUST complete the Google Forms survey, please click on this link:

https://docs.google.com/forms/d/e/1FAIpQLSeDOPLXly7cD0hPke4Biof9rnCx83cwbmvLZpPGpWIIUDcrAg/viewform?usp=sf_link

This must be completed by Wednesday 24th June.

Any changes to this must be emailed to st-nadine.thompson@whsg.info.

One off Face to Face Meetings with Pupils in Years 7-9

The latest update to the Guidance for Secondary Schools allows for face to face support meetings with pupils in Years 7-9.

We remain restricted with the number of pupils allowed on site, but the Pastoral Team may ask for a pupil to come into school for a meeting where there are concerns about their work or wellbeing. Where this is the case a member of our Pastoral Team will make contact with you.

Year 11 Work

As you are aware, WHSG have placed some resources on the school website which the girls are able to work through to help them with their transition into Sixth Form. This work can be located on the school website - Curriculum - Next Steps. This is optional and will require the girls to undertake some independent research, a skill that they will develop further in the sixth form.

In July more subject specific work in certain subjects will be set and we will be asking for this work to be completed by students wishing to join the Sixth Form.

House Kickball Results: Spring 2020

We have now located the results from last term's House Kickball Rounders competition.

They are:

- 1st Mandeville 81
- 2nd Bouchier 75
- 3rd Bohun 71
- 4th Devereux 66

These results will be added to the other scores from last year and we hope to announce the overall Championship results before the end of this term.

A message from the PE department – Virtual Sports Day challenges

This week **Westcliff High School for Girls** is preparing to join the [Youth Sport Trust](#) and [Sky Sports](#) to help young people and families up and down the country engage in a week of virtual sporting challenges.

With young people set to miss out on their main school sport day this summer, the [Youth Sport Trust](#) is taking its annual National School Sport Week campaign beyond the school gates to parents and families - reinvented as National School Sport Week at Home.

Taking place from Saturday 20th to Friday 26th June, the UK-wide campaign will give families, communities, schools and sports clubs the chance to capture the enjoyment, competition and camaraderie they have been missing out on during weeks of school closures and social distancing.

In previous years National School Sport Week has seen thousands of schools join in a week-long celebration of school sport and Physical Education, and their important role enhancing young people's well-being.

So that we can take part in this National Event, these activities will replace the virtual sports day challenge for next week. Please look at your virtual sports day classroom for more information on how to take part. Submit your completed sheet to earn points for your house.
