16th April 2021

Dear Parents and Carers,

I hope you are well.

Changes to Pupil Tracking Information

With pupils having only spent a limited time in school we have decided that it is not appropriate (nor helpful) for subject teachers to provide a written statement in this year's reports about their work in class and interactions with other pupils.

For the rest of this academic year, any Pupil Tracking information will only contain grades and flags for celebrations or concerns.

For a similar reason, there will be no Form Tutor comments this year.

Science

Engineering

Year 11 and Year 13 Assessments

In each subject a range of assessments are being used to help formulate the information we will be supplying to the examination boards this summer. Pupils will be told raw marks on any assessment undertaken and may get feedback on their answers.

Teachers may give indicative grades on any new assessments undertaken, but these should not be seen as the grade that will be awarded by the examination body, as all the data is subject to review and moderation procedures.

Year 12 Parents Evening

We have previously notified that we have moved Year 12 examinations to begin on 14th June. To tie in with this, we have decided to delay the Year 12 Parents Evening from 29th April to Wednesday 12th May.

Year 10 End of Year Examinations

These take place in the week beginning 26th April.

The timetable for these examinations is attached.

IT Rooms After School

We will be allowing pupils to book after school places in the IT rooms as from Monday 19th April.

Year 11 Prom

As a result of the current restrictions, this year we are unable to provide a prom for our Year 11 students. We will be holding a Leavers' Celebration which will include a Leavers' Breakfast. We hope to confirm more details of this event in the near future.

Year 13 Leavers

We are expecting to hold a Leavers' event for Year 13, but the date is still to be confirmed.

Take care

With best wishes,

Dr Paul Hayman
Headteacher

Year 10 examination Week: 26th - 30th April 2021

M O N D A Y		AMon:1	AMon:2	AMon:3	AMon:4	AMon:5

Year 10 Examinations Week Procedures

Over the week all students will attend their normal timetabled lessons and rooms, the only exception is that there will be no practical PE lessons and teaching rooms have been allocated in the schedule. There will be no teaching undertaken over the examination week.

Students will sit in their normal seating plans for all lessons, PE lessons will have seating plans for the rooms they are using. PE students must ensure they attend the correct room for their group.

Students who are not undertaking an exam in any period will use this time to prepare for their upcoming exams. As others in the room may be sitting exams this work will be done individually and silently.

To allow exams to run to time it is important to attend all lessons punctually.

Bring all equipment for the day - revision materials and equipment for your exams.

Registration periods, breaktime and lunchtime arrangements are unaffected over the week.

Students who study both History and Geography please note the arrangements for Monday.

Students who study both French and Spanish please note the arrangements for Thursday.
