June 2020

Dear parents, carers and incoming Year 7 students

Hopefully you have been onto our school website and onto the Year 6 parents' section. You will find a speech from Dr Hayman and a presentation from Mrs Dell the Year 7 Learning Manager. There is also a tour of the school by Dr Hayman that has been posted to the prospective parents' section. In the last pack you received two letters from our Year 8 students welcoming you to WHSG and there will be a couple of letters from our current Year 7 which will be added to the New Year 7 section of the website.

Engineering

As per the email on the 23rd June there will not be a uniform fitting day this year. Please go to the School website to visit the school uniform shop to be able to purchase school uniform.

We also want to tell you about the Year 6 summer homework to be completed. This work will be used as ice breakers for you to introduce yourself to your Form Group when you start at WHSG and during the Induction Days. We would like you to write a poem or a piece of prose about yourself. You can tell us about; your hobbies, family, house, pets, or things you enjoy doing, whatever you want us to know. Also we would you like to draw or paint a picture of what you enjoy doing or what you have been doing during the lockdown.

In August we will be sending out a letter to explain what will be happening when we return to school. At the moment we have a few different plans in place ready to be able to accommodate the latest Government guidelines and instructions at that time. When we do return we will ensure that there is plenty of Form Time planned for the students to get to know each other and start to build friendships.

We are looking forward to seeing you at the Zoom meetings with your Form Tutor.

Best wishes

Mrs J Cammidge
