September 2021

Dear Parent/Carer

We would like to invite your child to take part in our Spanish pen pal programme online. Last year we established a link with IES Los Cerros, a school in Úbeda, Jaén in Andalucía, Spain. We are hoping to develop this link over time which will allow us to create even more opportunities for students of different year groups to get involved with the partnership.

For the online pen pal project WHSG students will be paired with a student from the Spanish school and will then write letters in Spanish and the Spanish students will respond in English. All state run schools in Spain are co-educational so your child must be willing to write to either a girl or a boy. All communication will be monitored by teachers and for their own safety students **must not** share any personal details such as email addresses and telephone numbers.

Having just started their Spanish studies, we feel this is an ideal opportunity to put what they are learning into real life practice. There will be drop-in sessions at lunch times where students can have their draft checked and receive any support they need with their letter writing.

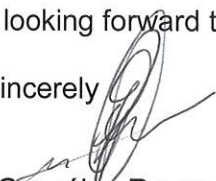

Please complete and return the slip below by Friday 15th October.

Southend-on-Sea

We are looking forward to developing what promises to be a very exciting partnership.

Yours sincerely

Miss E González-Reyes
Acting Head of Spanish
