In light of the COVID-19 Pandemic restrictions, it may be that some events need to be postponed/cancelled, as well as changes to other arrangements, for example the timing of the school day. We would appreciate your understanding in the event that it is necessary to take such action.

Admissions to the School in Year 7

Details of the school's Admissions Arrangements for entry to Year 7 can be found on the school website:

<http://www.whsg.info/admissions/years7-11/admissioncriteria2020onwards>

Open Evening for Prospective Year 7 Parents

Prospective parents and their daughters are usually invited to visit the school for Open Evening; however, due to the Covid-19 pandemic this has been cancelled, and is taking place remotely. A virtual tour and introduction to Westcliff High School for Girls can be found on the school's website. We hope that we can arrange our planned Open Evening in 2022 as normal.

As part of the process for receiving pupils into Westcliff High School for Girls, we will invite pupils to an induction day based at school. This will give your daughter the opportunity of getting to know the school, meet teachers and start to make friends with members of their form before joining us in September. Due to the Covid-19 pandemic, this will take place as long as guidelines in place at that time allow for this event.

Admissions to the School in Year 12

Details of the school's Admissions Arrangements for entry to the Sixth Form will be added to the school website in the Autumn Term of the academic year 2021/22:

<http://www.whsg.info/admissions/sixthform/how-to-apply>

Open Evening for Prospective Sixth Form Students

The Sixth Form Open Evening is on **Tuesday, 9 November 2021** from 7.00 p.m. – 9.00 p.m. Should we be unable to hold this event due to pandemic restrictions, a virtual Open Evening will be available.

Vision Statement of Westcliff High School for Girls

To be an outstanding school with high moral values and a national standing for its scholarship, producing citizens who are leaders and thinkers, imbued with initiative, enterprise and a quest for lifelong learning.

Aims of the School

1. To foster enthusiasm for life-long learning and the pursuit of excellence.
2. To develop in each student the skills, knowledge and qualities needed to play an active role in a changing world.
3. To give students the confidence to apply knowledge, experiment and embrace challenge.
4. To provide opportunities for personal reflection and to encourage a deeper awareness of spiritual, cultural, ethical and social issues.
5. To establish a community where student, staff, parents and governors work as partners with mutual respect and shared responsibility.

Role as a Training and Support Alliance

Westcliff High School for Girls has played a prominent role in delivering training and support to hundreds of schools, teachers and support staff across Southend, Essex, Thurrock and North East London since March 2012 as the lead school in The South Essex Teaching School Alliance (SETSA). Due to a change nationally, Teaching Schools will no longer exist beyond September 2021. However, we will continue to provide support and training to local schools and teachers under our new name South Essex Training and Support Alliance.

As part of a national DfE sponsored programme we have led the Southend, Essex and Thurrock Science Learning Partnership (SLP) since 2014 and are currently designated as the Specialist Delivery SLP for Biology for the whole country.

In 2019 we were designated the London and Essex Computing Hub. In all our work we aim to support teachers and schools to provide outstanding teaching for all pupils.

Child Protection Statement

Westcliff High School for Girls is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

We recognise that for our pupils, high self-esteem, confidence, supportive friends and clear lines of communication with a trusted adult helps to prevent abuse.

Our school therefore aims to:

- Establish and maintain an environment where pupils feel safe and secure, are encouraged to talk and are listened to.
- Ensure that pupils know that there are adults within the school who they can approach if they are worried or are in difficulty.

- Include in the curriculum activities and opportunities for PHSEEC+C which equip pupils with the skills they need to stay safe from abuse and to develop healthy and safe relationships.
- Include in the curriculum material which will help pupils develop realistic attitudes to the responsibilities of adult life, particularly with regard to childcare and parenting skills.
- Make parents/carers aware of the school policies and practice for safeguarding and ensure that, wherever possible, every effort will be made to establish open and honest effective working relationships with parents and colleagues from partner agencies.
- Support for those who may be vulnerable to being drawn into violent extremist activity and protection from radicalisation.
- Protect children from any form of exploitation, ensuring that the needs of children and young people who have been, or may be, sexually exploited and their families are considered.
- Safeguard girls at risk of female genital mutilation and forced marriages.
- Actively promote online safety on its website and signpost stakeholders to information that will help keep children safe online.
- Ensure that the physical, social, emotional and mental wellbeing of our students is paramount.
- Ensure that pupils, parents and families, school staff and other professionals, engaging with schools, can have access to personal advice and understand who they can turn to for support in relation to preventing violent extremism issues.

E-Safety

WHSG takes the issue of E-Safety extremely seriously. During computing lessons in Years 7 and 8 E-Safety is part of the curriculum. E-Safety is also addressed in PSHEE sessions in Year 8 and the Sixth Form, as well as during full school assemblies over the course of the academic year. In Year 9 E-Safety is addressed during assemblies, with particular reference to network threats and environmental issues. Teaching and non-teaching staff have regular training related to the issue. Although WHSG can make students aware of the issues related to their “online” experience, parents must take responsibility for monitoring their daughter’s activity online. ‘Think U Know’ is an extremely helpful website for parents, students and educational professional alike <https://www.thinkuknow.co.uk>.

CEOP (Child Exploitation and Online Protection) helps any child or young person under the age of 18 who is being pressured, forced or tricked into taking part in sexual activity of any kind. This can be something that has taken place either online or in 'the real world', or both. The CEOP Safety Centre has clear information and advice on what can be reported to CEOP, the reporting process and what will happen if you do decide to make a report. You can visit the CEOP Safety Centre and make a report directly to CEOP by clicking the Click CEOP button which can be found on many websites as well as our safeguarding page on the school website www.ceop.police.uk/safety-centre.

If you are experiencing online bullying or something else online has worried you please speak to an adult you trust, or you can talk to Childline at any time on **0800 1111** or at www.childline.org.uk.

Accessibility Plan

Westcliff High School for Girls recognises that there should not be discrimination against disabled pupils in relation to admission to the school and all aspects of school life.

Our aim is to minimise or remove any barriers for both current and future pupils so that disabled pupils are not disadvantaged when compared to pupils who are not disabled. This includes improving the physical environment of the school, providing alternative methods of delivering information, and increasing the extent to which disabled pupils can participate in the school's curriculum.

When improvements and alterations are made to the buildings, consideration is given to the requirements of disabled people e.g. various lifts have been installed. When disabled pupils have attended the school, large print details have been provided and timetable alterations made to allow pupils to be able to access their classrooms. When deciding on the assistance which can be provided the individual pupil's requirements are taken into consideration.

Activity Days

All pupils (Year 7-13) are involved in activities such as trips, workshops, enterprise and health conferences and interview practice on these days. We believe the ethos of the school is that all pupils should experience a range of activities as part of their learning as well as academic study.

By organising a large proportion of the school's annual events on Activity Days there are less days when teachers and students are away from normal classes. Attendance on Activity Days is compulsory and some activities are trips abroad, so a current passport and an European Health Insurance Card (EHIC) are required.

Arrangements for More Able Pupils

All of our teaching aims to challenge, inspire and extend but we recognise that each intake of girls will include a number whose academic, intellectual and creative abilities require challenges that go beyond the main programme of study. Teachers expect to stretch more able pupils during the normal programme of lessons and have prepared extension materials for this purpose in each subject. Grouping by ability takes place in Mathematics from Year 8 onwards.

Arrangements for Children with Special Educational Needs

The Governing Body updates its policy on children with special educational needs each year to ensure that the school keeps abreast of current legislation. Arrangements are published by the Consortium of Selective Schools in Essex for children with special needs who are sitting the entrance tests.

It is the aim of the School that every pupil reaches their full potential at each stage of their school career, and we consider that the special educational needs of all pupils are the shared responsibility of all staff. We encourage both parents and teachers to identify pupils with special educational needs or those pupils who may at some point experience difficulties with specific areas of the curriculum or

require extra support due to medical needs. We seek to deliver a planned, broad, balanced, differentiated curriculum to ensure maximum progress and do not preclude those with disabilities from participating in extra-curricular activities and residential visits.

Westcliff High School for Girls provides appropriate staged support which follows the guidelines of The Special Educational Needs and Disability Code of Practice (2015) and the Southend SEND: Shared Expectations. Teachers, the Higher-Level Teaching Assistant and LSAs undertake professional development to support those pupils with special educational needs and the school has made practical arrangements for children with a variety of needs. Our buildings, equipment and learning materials have been adapted to provide assistance, and lifts and ramps have been provided to most areas of the school. Specialist advice and counselling has been arranged for children with social, mental or emotional difficulties and pupils' academic progress is carefully monitored. Extra support is provided for individuals and groups as the need arises and other agencies will be used as appropriate. The school has a close partnership with all parents, especially those of pupils with special educational needs. The SENCO, the Pupil Support & Guidance Team of Learning Managers and Pastoral Support Co-ordinators meet regularly with parents and pupils to involve in all aspects of planning, decision making and to review support and progression.

Assessment and Reporting of Pupil Achievement

The School is committed to academic achievement and monitors carefully the progress of each pupil through a system of continuous progress tracking as well as examinations. Parents are kept fully informed of their daughters' progress and of any extra help or support which may from time to time be necessary. Parents may sometimes be asked to come into the school to discuss their daughters' work if there is a concern about progress or attitude to work.

Progress Tracking

All students are set "estimates" which give an indication of their expected performance in each subject area. This is estimated using data from a range of sources. All pupils sit CATs (Cognitive Ability Tests) assessments in September. This data is analysed by the Fischer Family Trust to set forecast grades. These results will provide data that looks at the strengths in a range of skills of your daughter and likely longer term outcomes. We also set our baseline tests in all subjects in the first few weeks as additional data to inform our picture of the potential of each child. In addition tests scores from the 11+ are also used. With all this information we are able to make an informed professional judgement about potential achievement.

At Key Stage 4 and Key Stage 5, rigorous monitoring of performance according to predictions provided by the data, is undertaken with appropriate interventions put in place to assist in potential being reached.

Progress is monitored within subject areas by Heads of Department, by our Learning Managers and by our Senior Leadership Team.

Parents log in to the "**my child atschool.com**" to view Pupil Tracking Reports (PT's) which will contain grades which relate to progress, attitudes to learning, homework and current attainment. This service is provided by a company called Bromcom. Once a year, parents will also be able to access a more

detailed tracking report identifying achievements and areas for development in each subject area. The outcomes of formal assessments are also communicated during the course of the academic year (practice examinations and school examinations). The timing of reports is staggered and the issue dates are confirmed in the School Calendar for Parents which is published on the school's website at the start of the new academic year.

Parents' Evenings

Due to the ongoing Covid-19 pandemic we are utilising remote video conference meetings for our Parents' Evenings. In the future we are intending to use a mixture of online and face to face meetings.

A meeting is held for each year group in the course of the academic year at which parents can discuss the progress of their daughters with the staff who teach them. Invitations to the Parents' Consultation Evenings, which are held from 4.00 p.m. until 6.30 p.m., are sent out well in advance. Great importance is attached to these occasions for the opportunity which they provide to exchange useful information and to forge a close relationship with parents. The dates of these meetings are advised to parents in the school calendar on the school's website at the start of each academic year. If parents are concerned about their daughters' progress they should contact the relevant Learning Manager so that possible problems can be dealt with as quickly as possible. Meetings are also convened in order to provide parents with useful information about subjects such as the National Curriculum, school visits and applications to Higher Education.

The proposed programme for reporting and parents' meetings (2021/22) arrangements is:

Year	Settling Tracking	Assessment Tracking	Internal Examination (Subject to review)	Extended Assessment Tracking (Full Report)	Meeting with Parents <i>Some will be online – to be confirmed</i>
7		December March	May	July	September (induction meeting with form tutor) March - Meeting with subject teachers
8		November February July	May	February	February - Meeting with subject teachers March – Options meeting
9		November March June	May	March	April – Meeting with subject teachers
10		December March June	March	June	April - Meeting with subject teachers
11		October January March	November	March	January - Meeting with subject teachers
12	September	November February May July	June*	May*	November/May - Meeting with subject teachers
13		November February March	January Pre Public Examinations	February	December/March - Meeting with subject teachers

Years 12 and 13 have two parent consultation meetings which are held in the Autumn and Spring Terms

**Subject to review*

Attendance

The school staff attach considerable importance to maintaining high levels of attendance. Parents are asked to contact the school whenever their daughter(s) are unable to attend.

Parents are requested to notify us of their child's absence by completing the form that can be accessed via the school website. It can be found by going to 'Parents', 'Absence Form', or by clicking the 'Absence Form' link under the Quicklinks options. The form should be sent to us on the morning of the absence, preferably by 7.30 a.m. but at the latest by the start of the school day. If however, you wish to speak to the Attendance Officer, please call the school attendance line on 01702 476026 (option 2). An answerphone is available on this number. Please always leave a message.

If the attendance level of any student falls below 90% action will be taken in consultation with our designated Local Authority Officer.

Rates of authorised and unauthorised absence September 2020 to March 2021*:

- The number of registered pupils of compulsory school age (11-16 years) on roll during the period 1 September 2020 to 31 March 2021: 908
- Percentage of half days missed through authorised absence (illness, medical appointments, etc.): 3.1%
- Percentage of half days missed through unauthorised absence: 0.4%

The Governors for Westcliff High School for Girls do not authorise absence for holidays.

Behaviour Management

Rewards are an integral part of the school ethos. Pupils can gain Merits or Credits for achievement, behaviour, progress and for supporting the work of the school. House Points are awarded for other successes and regular attendance. Merits, Credits and House Points accumulate and can lead to further rewards.

Discipline in the school is firm and considerable emphasis is placed by the Headteacher and staff at the school upon good behaviour. Responsible behaviour that enhances the life of the school community is encouraged and rewarded, and there is a clearly voiced expectation that pupils will show consideration and respect for other people at all times. The list of rules is kept to a minimum, but is sufficient to ensure the safety of pupils and the smooth running of the school. Due to the current pandemic, it may be necessary that further measures and expectations have been put in place to ensure the safety of the school community.

Sanctions for irresponsible behaviour usually consist of a reprimand, Community Service, detention or loss of privilege. Parents may be invited to the school to discuss particular problems, and they are always informed in advance of proposed detentions and other disciplinary measures.

A copy of the Behaviour Management Policy, which includes the anti-bullying policy and an addendum covering expectations during the pandemic, are available for inspection via the school's website.

Charging for School Activities

The school's policy is based on the general principle that education during normal school hours should be free of compulsory charges to parents, and that all pupils should take part in school activities irrespective of their circumstances. However, the Governing Body recognises that there are many valuable activities that continue to be dependent on contributions from parents.

Parents will therefore be invited to make voluntary contributions to the cost of visits that take place during the normal school day and will be charged allowable costs for visits out of school time. Contributions may also be invited for ingredients, materials or equipment used in certain subjects such as Design and Technology. Parents are under no obligation to make this contribution unless they wish to own the finished product.

Public exam fees are paid by the school except where pupils are not prepared for an exam by the school. A copy of the school's Charging Policy is available on the school's website www.whsg.info.

Complaints Procedure

Parents are invited to refer any concern that they may have on curricular or other issues using the school's Complaints Procedure, details of which are to be found on the school website: www.whsg.info/policies-and-statutory-information.

Duke of Edinburgh Award Scheme & Outdoor Education

The school is a Licenced Centre for the Duke of Edinburgh Award Scheme. In Year 9 all pupils, as part of their Outdoor Education entitlement, take part in the Bronze Duke of Edinburgh Award and have the option to continue onto the Silver level in Years 10 and 11 and finally Gold in Year 12. The DofE programme is a real adventure from beginning to end. The scheme promotes self-discipline, commitment and personal development as well as providing the opportunity for friendship and fun, an aspect of this is a programme of volunteering that they undertake as part of the Scheme.

Outdoor Education

The school prides itself on its outdoor pursuit ethos. All Year 7 pupils will take part in a team building, outdoor obstacle course and new Year 12 students experience an outdoor activity on an Induction Day. Pupils in can also participate in World Challenge Short and Long Haul expeditions. In 2018 we had a short haul expedition to Norway and in 2019 a long haul expedition to Madagascar. Short Haul expeditions are offered to pupils in Years 8 and 9, and Long Haul is offered to pupils in Years 11 and 12.

Extra-curricular activities

There are a huge number of curricular and extra-curricular activities available which include ABC Buddies (peer support system), Cookery, Poetry, Textiles, Science and Dance Clubs, as well as Physical Education clubs and fixtures in a variety of sports. There are also opportunities in Science, Engineering, Drama, Music, Art and Design & Technology. In school productions and drama clubs

pupils participate in acting, designing and constructing set, lighting, costume and stage management. There are orchestral and musical activities and our Library organises events such as author visit days. Throughout the curriculum there are residential trips, field trips, extra-curricular visits and ski trips to Europe and America. Our Activity Days allow pupils to enrich their experience through a wide variety of school based events and visits. The School has a very active House System, which offers many opportunities for all pupils to participate.

Homework Policy

Homework is expected of all pupils attending the school and is an integral part of each pupil's work. There is a set pattern of homework in the main school and pupils are expected to develop the habit and discipline of regular private study. All pupils are provided with a planner in which to record homework on a daily basis. This enables parents to gain an overview of the work that has been set. In the Sixth Form, two to three hours a day should be set aside for private study, not only for the specific tasks set by teachers, but also for lesson preparation and the additional reading that is connected with most Advanced Level subjects.

The Lis Harries Library

The Lis Harries Library is a calm, quiet and welcoming environment, popular with the students as somewhere conducive to reading and study. A dedicated mezzanine floor for Sixth Form students adds to its charm and the suite of eight computers is ideally suited for academic study.

Traditional in appearance, resplendent with oak shelving and wooden balustrades, the Library is well stocked with over 12,500 resources, which includes a diverse range of fiction and non-fiction to support the curriculum and the school's commitment to reading for pleasure, as well as magazines, DVDs and online subscriptions. We also produce the *Library Times*, a termly newsletter, and have active social media accounts.

The Library is staffed by a full-time librarian and a part-time assistant, who dedicate their time to ensuring the collection is relevant, up-to-date and representative of our student body. Reading is central to all school activity, and we believe student confidence and fluency matures through reading as long as the books provided are engaging, challenging and ones to which they can relate. We track the major UK book awards and promote a programme of annual activities and author visits to expand our students' experience of the world of modern literature.

Parents are welcome to contact the Librarians if they have any questions concerning the Library and its resources.

'I declare after all there is no enjoyment like reading' – Jane Austen

Music, Drama and Dance Activities

The school places much importance on Performing Arts within the curriculum and they are encouraged at all levels.

Music plays a key role within the school curriculum and the wider life of the school community. Our range of extra-curricular activities includes both instrumental and vocal ensembles that cater for all musical abilities. The musical talent of our students is then showcased across the year in an array of different concerts, which includes a Live Lounge, Winter Concert, Carol Concert, House Music, Recitals, the School Production, Jazz Evening and a Summer Music Festival. Every other year the Music Department also gives students the opportunity to perform abroad as part of a Summer Music Tour. Alongside these activities, we are able to offer our students the opportunity to pay for individual music tuition with our professional instrumental teachers. To support the learning in the classroom, where students develop an appreciation of a range of musical styles and cultures, trips are run to see live music performances both locally and in London.

Drama is an integral part of the school curriculum. Drama and musical events have become a successful feature of our school calendar. Past productions have included 'Macbeth', 'Othello', 'Noughts and Crosses', 'Memphis' "Legally Blonde" and most recently "Little Shop of Horrors". The Drama Department also regularly performs exam pieces after school. These are always high quality productions, which students and parents are encouraged to attend. Regular trips run to see live performances in the West End and local theatres. Pupils have had the opportunity to see "The Woman in Black", "The Secret River" at the National Theatre and Frantic Assembly's "I think we are alone". In addition the Drama department organise workshops for pupils of all ages which are run by professional and internationally renowned theatre makers such as Frantic Assembly and Splendid Theatre Company. We run a KS3 Drama club once a week, culminating in a performance showcase for family and friends. House Drama is an opportunity for thespians to earn points for their house.

Dance is integrated into the PE curriculum. Students will be exposed to a diverse range of dance styles and cultures throughout their school life and can experience dance through a wide variety of activities such as extra-curricular clubs, performance evenings and the school show.

Number of registered pupils

On 18 May 2021 the school had 1,300 registered pupils, of whom 394 were in the Sixth Form.

Religious Studies and Ethos

Westcliff High School for Girls is a non-denominational school and welcomes all students, regardless of belief. Religious Studies, which is taught with reference to the Southend syllabus, as part of an *accelerated* curriculum, aims to give a deep and wide-ranging understanding of the nature of religious beliefs, non-religious perspectives and their related lifestyles and attitudes. We believe it is important for people to understand how religion affects everyday life in a multicultural and multi-faith world. We therefore, where appropriate, invite representatives with varying viewpoints on the subject matter, to speak in school, as well as arrange visits to places of worship. All students are prepared for the full course GCSE in Religious Studies, which is taken at the end of Year 11.

The approach to teaching in Religious Studies is non-confessional in style, favouring deep, analytical thinking, questioning and Socratic methods, in addition to the rigorous learning of content. Students develop core examination skills to demonstrate knowledge, understanding and evaluative abilities, from the beginning of Year 7.

The daily assembly follows a pattern of broadly Christian worship and is regarded as important, both as a corporate occasion and because of its contribution to the moral and spiritual life of the school.

Parents may elect to withdraw their daughters from assembly and/or this subject on religious grounds but it is hoped that few will feel the need to do so. Parents should write to the Headteacher to request permission to withdraw their child and are asked to provide suitable materials for her to study in the school library during Religious Education and assembly periods.

School Improvement Fund

The School Improvement Fund exists to enhance our pupils' experience and provide facilities and resources that would not be possible if we relied solely on Government funding.

The funding landscape that we operate in has changed; state funding has been squeezed, and the funding level we receive per pupil from the Government is significantly lower than most schools in Essex. Despite this we strive to provide outstanding facilities for pupils whilst continuing to provide first class academic education.

Upon joining our school community, parents and carers are invited to support the fund by setting up a monthly donation at a level which suits their circumstances. Income from the fund has contributed to some fantastic equipment during 2020/21 such as a large trampoline in the gymnasium, new Apple Macs and software for Music, an enlarged medical room and completion of the top floor in the new East Wing. Our next priorities include the installation of LED lights on the netball courts and to contribute towards the Sports Hall extension.

Parental contributions are voluntary and full details of the fund are distributed when you join our school community.

Sex Education

The school aims to place the teaching of sex education within a caring moral context. We also include aspects of spiritual, social and cultural issues within the curriculum, how to understand the variety of beliefs which would impact on socially acceptable practices and where to get help. We stress at all times the importance of positive family relationships and parental responsibilities and seek to reinforce the role of parents. Accurate information, statistics and guidance are provided for young people as they progress through adolescence, and many opportunities are created for questions and serious discussion.

The school's programme covers many aspects of sexual development, including the study of friendships, sexual consent, love and marriage, an understanding of the processes of conception, pregnancy and birth; the recognition of peer pressure in sexual matters, including accepting people's choices of personal relationships. Information about birth control, contraception and sexually transmitted diseases is provided. Pupils are helped to consider the importance of respect for themselves and others, dignity, loyalty, recognizing their personal identity and self-restraint. Pupils are encouraged to empathise with their peers and discuss their opinions within a safe environment. We also cover all forms of sexual bullying including homophobic transphobic and biphobic bullying.

Sex education is taught within the Personal, Social, Health, Economic Education plus Careers and Citizenship (PSHEE & CC) programme, and outside speakers can be invited to deal with particular topics. Parents may withdraw their daughters from all or part of the sex education programme.

New guidance in relation to parents' rights states that:

- Parents can withdraw their children from the 'sex' elements of Relationship and Sex Education (RSE).
- They do not have the right to withdrawal for 'health', 'relationships' or any other aspect of PSHE education.
- A student can opt back in to RSE lessons against their parents' wishes from three terms before they reach the age of 16.
- There is no right to withdrawal from the National Curriculum science which includes elements of Sex Education such as puberty and reproduction.

These rules came into effect from September 2019.

The Parent Teacher Association

The Parent Teacher Association exists to promote close co-operation between home and school, and to provide financial assistance towards better amenities for the pupils. There is no membership fee and all parents/carers are automatically members of the PTA whilst their daughters are members of Westcliff High School for Girls. The Association is run by a committee of elected members, the Headteacher and senior leaders. It is hoped that several parents of each September intake will be willing to join the committee, ensuring representation of as many year groups as possible. Events previously organised have included a Mothers' Day Fayre, Valentine's Fayre, Pamper Night, Christmas Fayre and Years 7 and 8 Discos.

The School Curriculum 2021/22

In Years 7 and 8 pupils are taught in their tutor groups for most subjects with smaller classes arranged for Technology lessons. Pupils normally remain in the same tutor group of about 30 pupils throughout the main school.

Physical Education includes games, athletics, gymnastics and dance.

Technology includes Design in the areas of Food, Textiles, Electronics, Graphics, Resistant Materials and Engineering.

In Year 7 students will study either French or Spanish, and the language is allocated to them on arrival at the school.

The table below shows the number of hours allocated to each of the subjects per fortnight.

Subject	Year 7	Year 8
Art	2	2
Computer Science	2	2
Design & Technology	4	4
Drama	1	1
English	6	6
French/Spanish	6	3*
Geography	4	4
History	4	4
Mathematics	6	6
Music	2	2
Personal, Social, Health and Citizenship	1	1
Physical Education	4	4
Religious Education	2	2
Science	6	6

*3 of each Language

In Year 8 the curriculum remains similar to that followed in Year 7. However, in Year 8, students will study a second additional language. Students will go on to study their first Language at GCSE and have the option to select their second as an additional GCSE choice. Careers guidance is also built into the curriculum at this stage.

Key Stage 4 begins in Year 9 and all pupils start studying GCSE courses at this point.

Years 9 to 11:

The core subjects taken by all pupils are:

English Language	Leading to GCSE
English Literature	Leading to GCSE

Economics	Mathematics	

The above table illustrates the wide range of subjects available to our current pupils. Courses are dependent on groups being of a viable size.

Timing of the school day

Pupils are required to be in their form rooms for morning registration by 8.30 a.m. If girls arrive earlier they may wait in the school hall or the picnic area at the back of the school. Lunchtime is from 12.10 p.m. to 1.15 p.m. School ends at 3.30 p.m. every day. There are five one hour lessons each day. The school day also comprises two registration periods, assembly which lasts for ten minutes and a break of twenty minutes in the morning. These timings will apply unless there is a need to alter them due to extraordinary circumstances.

Activity	Time
Morning Registration	08.35 a.m.
Assembly or Tutor Time	08.40 a.m.
Lesson 1	08.50 a.m.
Break	09.50 a.m.
Lesson 2	10.10 a.m.

Lesson 4	13.25 p.m.
Changeover	14.25 p.m.
Lesson 5	14.30 p.m.
School ends	15.30 p.m.

Transport to and from the school

The school is well served by local buses and trains. The CSSE Transport Office (CTO) has an agreement with First Bus Ltd and Stephenson's of Essex Ltd to provide transport to the four grammar schools in Southend. For route and price information, please visit the CSSE website www.csse.org.uk or telephone the CTO on 01245 281194 (term time only).

Parents are responsible for the behaviour of their child, whilst using contract buses or public transport. The bus companies and public services reserve the right to ban users for offensive behaviour.

WHSG's *MyChildAtSchool* Parental Portal

All reports are accessed electronically using our online provider "**MyChildAtSchool Parental Portal**". Details of how to access this are distributed to all parents in Years 7, 8, 9, 10 and 12, either at the appropriate Parents Evening event or via their child. Parents are advised that they should read and understand the Acceptable Usage Policy and agree the contents before accessing the resource. It is the responsibility of all parents to ensure that their login details are kept secure. Parents of new Year 7 and Year 12 students receive their details during September.

We also stress the importance of ensuring that parents remember usernames and passwords so they can access their child's assessment data and complete any verification procedures requested by the service provider, Bromcom. Once parents have successfully logged in for the first time they should check that their account details and contact details are accurate and up to date, if not, they may edit the information and submit it directly from the website. The website also offers the facility to submit any changes to details such as e-mail address, telephone numbers and change of home address at any time via the Contact Details page.

The school does not have a dedicated "help desk" to deal with login problems and are unable to offer any telephone support. The website and our provider Bromcom provide a Login Details recovery process on the login screen should parents lose or forget their login details; to avail of this it is imperative that you have completed the security question at your first login and that the e-mail address we have in our system is active. If parents misplace login details it means that they may not be able to access assessment data immediately when it is released through our provider and you may have to wait a few days for new login information to be sent to you. There is a dedicated e-mail account for problems should they arise, only communications directed to this address will be dealt with - the address is bromcom@whsg.info.

Parents must acknowledge receipt of the electronic copy of a report by sending an e-mail to the appropriate Pastoral Support Co-ordinator, e-mail addresses for these personnel are published on the front page of all reports. Any issues arising from the report may be discussed with your daughter's Learning Manager if you so wish.

It is hoped that parents access and explore all of the information published to the MyChildAtSchool resource on a regular basis to monitor the academic progress, attendance etc. of their child throughout their time at WHSG

Uniform – Years 7-11

All girls in Years 7 to 11 are expected to wear uniform. Our aim is that girls should develop a sense of pride in themselves in relation to their appearance, as members of the school and community. We ask parents to ensure they send their daughters to school in the correct uniform. **All items worn at school must be clearly marked with the owner's name.** It is impossible to trace mislaid property which is un-named.

All uniform is supplied by our school uniform shop, and payment can be made via a link on the school's website, using the 'Quicklinks Uniform Shop' tab at the top of the home page: www.whsg.info
