WORLD CHALLENGE ICELAND 2020

World Challenge Iceland Launch Meeting

Engineering

Today we held an assembly with all Year 8 and 9 students to introduce to them that, once again, we're working in partnership with World Challenge to bring you something out of the ordinary. An expedition travelling to **Iceland** in **2020**. This once in a lifetime opportunity will set students apart, empowering them to stand strong in front of universities and employers.

Please join us on **Wednesday 10th October 2018 at 6pm** in the WHSG Conference Centre; we'd love to tell you more about it.

Much more than a school trip

We share a belief that by empowering the students to lead their own expedition, they will go on to live a life of courage, kindness and adventure. From tough treks to new cultures, the day-to-day challenges of expedition life encourages students to develop life skills and build deeper confidence, resilience and empathy.

You're in expert hands

With over thirty years' experience taking away over 8,000 students every year, World Challenge lead the way in quality, safety, ethical community engagement and learning outcomes. Guided by an adult leadership team, they will step out of their comfort zones and take on roles and the leadership of their group, managing a budget, planning meals and choosing accommodation.

We look forward to seeing you

Join the WHSG World Challenge representative **Emma Bruggenwirth** to hear more about the planned expedition. Come along to find out ideas about how to raise the expedition fee in the build-up to departure and the depth of safety and support.
