March 2018

Dear Parents / Carers

## WORLD CHALLENGE NORWAY 2018

### World Challenge Expedition Arrangements

All challengers have now successfully completed the World Challenge Training Expedition. The weekend provided a good opportunity to prepare for the expedition to Norway by camping, preparing food and discussing how to ensure we stay healthy and safe on expedition with the World Challenge expedition leaders.

Science

I would like to remind you that all medical details for each challenger must be entered on the My World Challenge website. This ensures that school leaders and the expedition leader are fully prepared prior to expedition and that World Challenge are aware of all pre-existing medical conditions for insurance purposes.

Engineering

The outbound and return flight details are now on the World Challenge website. I will confirm full details closer to the expedition date as the flight details are subject to change (the return flight details for teams 2 and 3 have recently changed).

We have already booked the outbound (school to airport) and return (airport to school) coach transfers. **Please pay the £28.00 per challenger coach transfer cost on ParentPay** by the end of March.

World Challenge will be holding a meeting with all challengers after school on the **16<sup>th</sup> May 2018**. The first part of the meeting is for the Challengers only. Parent/Carers will be invited to join in for the second part. More details on the content of this meeting will be communicated by World Challenge.

One or two days before the departure date each team of challengers must attend a build-up day at the school with their school leaders and expedition leader. They will need to arrive with bags fully packed with everything they will be taking on expedition (as per the kit list) and all necessary documentation. I will also provide more details about this closer to the expedition date.

Please ensure you review the 'tasklist' on the My World Challenge website and ensure that the tasks relating to passport, visa and vaccination requirements are completed.

Yours sincerely

Mr Neal Banks  
World Challenge School Leader
