What are career insight events?

TARGET CAREERS FUTURE WISE

The events give students in years 11–13 (S4–6 in Scotland) the chance to meet with industry professionals and learn what it is really like to work in their fields. The events take place at employer workplaces and universities, giving you the chance to gain real insight and experience new environments.

Take part in networking sessions and hands-on activities, learn valuable skills and meet new friends from other schools. All of this will help you prepare for your next steps and set you up for success in years to come.

Why should you attend?

- Discover a range of post-18 options in a career area
- Decide whether you're interested in this area
- Network with business professionals and other students
- Stand out from the crowd on your personal statement and CV
- Make friends with like-minded students and have fun!

We look forward to seeing you there!
